APPRENTICE TRAINING INFORMATION AND REQUIREMENTS

HELLO AND WELCOME TO TASTAFE!

We look forward to working with you during your training and assessment at TasTAFE.

The way you undertake the training and assessment for your qualification is blended – it combines learning and assessment activities off the job (at a TasTAFE campus) and workplace evidence on the job (at work).

How your training and assessment is completed will be negotiated with your employer, your TasTAFE trainer and as well as with yourself. However you undertake this, it will include both practical and theory-based work.

Training and assessment undertaken off the job at TasTAFE will be based around realistic simulated projects, and any assessment undertaken on the job will utilise your daily work tasks.
