

FWP30216

Certificate III in Harvesting and Haulage

Suitable for new employees who have just started in the industry as well as existing workers with years of experience, the benefits of completing this qualification include:

- ✓ earning while you learn
- ✓ graduating with a nationally recognised qualification
- ✓ undertaking training and/or assessment on-the-job in your workplace
- ✓ developing new and existing skills
- ✓ gaining formal recognition of your skills
- ✓ obtaining multiple endorsements for your FOL's licence.

DURATION

You can enrol and start at any time. We will work with you to determine a training and assessment plan that best suits your needs.

The length of time taken to complete this qualification will vary according to your experience and existing skills. For a new employee, it may take you up to 24 months to complete. For an existing worker the duration would be a lot shorter.

CAREER OPPORTUNITIES

There are many employment opportunities connected with this qualification including:

- Bulldozer Operator
- Excavator Operator
- Feller Buncher Operator
- Forest Harvester
- Forwarder Operator
- Harvesting Technician
- Loader Operator
- Log Truck Driver
- Mobile Equipment Operator
