

Manage Rehabilitation Return to Work

The Manage Rehabilitation or Return to Work Programs course describes the skills and knowledge required to process and analyse workers compensation and sick leave claims. It also covers the establishment of rehabilitation needs and return to work programs and their monitoring, review and evaluation.

It applies to individuals who manage claims and ensure that the organisation provides appropriate support for the worker.

Participants will learn to:

- Analyse claims
- Establish rehabilitation/return to work program
- Monitor/evaluate rehabilitation/return to work program.

The unit delivered is:

- Manage rehabilitation or return to work programs (BSBHRM509)
- This unit is fully assessed during the workshop.

Outcome: A Statement of Attendance or participants may choose to be assessed against the unit outlined in the course summary and receive a Statement of Attainment.

Location: At your workplace or at the Hobart or Devonport campuses.

Cost: \$530 per person. Course prices for single employer groups are negotiable.

Duration: Two days.

Dates and times:

8.45 am– 4.30 pm

HOBART: 20 & 21 November 2017

DEVONPORT: 23 & 24 November 2017

Refunds:

- Refunds will not be given if a student commences activity in a module/unit unless there are exceptional circumstances.

Courses will run subject to reaching minimum class numbers.

For more information please contact the Program Administration assistant in your area.
